

# Carondelet High School Science Teacher/Course Evaluation

Write *Physics* in the **Subject** line and *Tramplasure* in the **Name** area; bubble your period in the Student ID section.

=====

## General helpfulness of coursework

- 1) Do you feel you learned any new **science concepts** that you will use in the future?
  - a) Yes, definitely
  - b) Yes, probably
  - c) No, probably not
  - d) No, definitely not
- 2) Do you feel you *learned* or *practiced* any **skills** (for example: study, math, logic, thinking) that you will use later in life?
  - a) Yes, definitely
  - b) Yes, probably
  - c) No, probably not
  - d) No, definitely not
- 3) Do you plan on **pursuing a career related to the content of the class**?
  - a) Yes, I was planning on it before I took this class.
  - b) Yes, and this class helped me decide this.
  - c) No, I'm not interested in pursuing a career related to this subject.

## Homework and class assignments (non-lab)

- 4) Do you think the homework and similar class assignments were **helpful in learning the materials** in the course?
  - a) They helped me significantly
  - b) They helped me, but not that much
  - c) They did not help me.
- 5) How do you feel about the **amount of homework and similar in-class assignments**?
  - a) There were too many
  - b) There were just about the right amount
  - c) There were not enough

## Tests and quizzes

- 6) Tests and quizzes were
  - a) Too difficult
  - b) About right
  - c) Too easy
- 7) Cheating on tests/quizzes within the class:
  - a) Never takes place
  - b) Seldom takes place
  - c) Often takes place
  - d) I am unsure

## Labs

*Try to reflect on all the labs when answering the following questions, not just the best or worst.*

- 8) Do you think the labs you did in class were **helpful in learning the materials in the course**?
  - a) They helped me significantly
  - b) They helped me, but not that much
  - c) They did not help me

- 9) How do you feel about the **number of labs** in the class?
  - a) There were too many
  - b) There were just about the right amount
  - c) There were not enough
- 10) How **easy were the labs to conduct**?
  - a) The lab instructions were clear.
  - b) The instructions were somewhat vague and difficult to follow.
  - c) The instructions were extremely difficult to follow.
- 11) How well do you feel the **labs helped you engage**?
  - a) They were engaging and helped me focus.
  - b) The labs were OK, but I sometimes got distracted during them.
  - c) The labs were boring or otherwise uninteresting, and I often got distracted during them.
- 12) How well do you think the **labs related to the class materials**?
  - a) They generally related to the subject matter we were studying at the time.
  - b) They did not seem to relate to the subject matter at the time we were doing the labs.
  - c) They did not seem to relate to the subject matter at all.

## Teacher

- 13) How **engaging was your teacher**?
  - a) My teacher was engaging, and the class content was also.
  - b) My teacher was engaging, although the content was not.
  - c) My teacher did not engage me, and neither did the content.
  - d) My teacher did not engage me, but the content did.
  - e) My teacher did not engage me, neither did the content, but I think the content might have been engaging with a different teacher.
- 14) How well did your teacher **answer questions** from you or other classmates?
  - a) The answers were clear and helped me understand.
  - b) The answers were sometimes helpful, but sometimes not.
  - c) The answers did not help me understand.
- 15) How **timely was your teacher's grading**?
  - a) Assignments were returned very quickly.
  - b) Assignments were returned in a reasonable amount of time.
  - c) Assignments were often returned late.
  - d) Assignments were generally returned late.

- 16) How **fair** do you think your **teacher's grading** was?
- The teacher was fair.
  - The teacher was inconsistent between students.
  - The teacher was inconsistent between assignments.
  - Both b) and c) above.
- 17) Was your teacher **enthusiastic about the course**?
- Yes, always.
  - Yes, sometimes.
  - No, never.
- 18) **Teacher's control of class** was:
- Excellent, students behaved appropriately
  - Decent, while students occasionally were disruptive and/or off task, in general they were well behaved.
  - Poor, students were frequently allowed to be disruptive and/or off task.
- 19) During class discussions, the teacher **called on me**:
- More than I expected
  - About what I expected
  - Less than I expected
- 20) Overall, **how well do you feel your teacher conducted class**?
- The teacher did one of the best jobs of all my teachers at CHS.
  - The teacher did a good job.
  - The teacher did a poor job.
  - The teacher was one of the worst I have had at CHS.

### Your grade and effort in the class

*(This survey is anonymous, so this data will help us determine if there is a correlation between students' perspectives on the class and students' grades).*

- 21) What grade did you receive for **fall semester**?
- A
  - B
  - C
  - D
  - F
- 22) What grade did you receive for **first quarter spring semester**?
- A
  - B
  - C
  - D
  - F
- 23) How do you feel about **how hard you worked in the class**? (Do not reflect on your grade here, just your effort.)
- I think I worked hard in the class, and am satisfied with my effort.
  - I found the class easy, so I didn't have to work hard, but I'm satisfied with my effort.
  - I did not do much work for the class, and probably should have worked harder.

- 24) **How often did you come in for extra help**, either from your teacher or from other CHS/DLS teachers?
- I came in once a week or more.
  - I came in between once a month and once a week.
  - I came in a few times each semester.
  - I came in once.
  - I did not come in for help.
- 25) **If you did not come in for help**, what was your primary reason?
- I did not find the teacher inviting.
  - I was too busy with other activities.
  - I came in once or twice and did not find it helpful.
  - I did not feel I needed it, my grades were good enough.
- 26) How would you rate your **fellow students' behavior and attitude**
- Exceptionally cooperative, willing to work
  - Generally well behaved
  - Disruptive and/or antagonistic.

**If you think any of the items above did not have an answer/option that was close to what you would have answered, please list the question number and the response you would like to see in the space below:**

**If you have any comments to share about the class and/or the teacher, please write them below.**
